voting membership

◯ **active membership** - $550.00

Any business, firm, corporation, partnership, sole proprietorship, individual professional or other legal business entity which is involved in the affordable housing industry or provides services, supplies or equipment for the affordable housing industry and is directly interested in its welfare, complies with TAAHP Bylaws, pays current dues, and meets required membership qualifications, is eligible for active membership in TAAHP and is entitled to one vote per membership, eligibility for service on the Board of Directors, and all committees following appointment.

◯ **second** (non-voting) - $250.00

◯ **third** (non-voting) - $100.00

non-voting membership

◯ **governmental/regulatory** - $150.00

Any individual associated with or responsible in any manner within the title of this category may join TAAHP after meeting the qualifications and paying dues determined by the Board of Directors.

◯ **educator/student** - $50.00

Any individual directly associated with an institution of higher learning and whose field of study and expertise is related to the field of affordable housing may join the Organization by meeting the qualifications and paying dues determined by the Board of Directors. Separate dues may be established for these two classifications: Educators and Student.

Federal Income Tax Notice: Membership Investments are not deductible as charitable contributions for federal incomes tax purposes; however, investments are deductible by members as an ordinary business expense. A portion of investments are not deductible as an ordinary business expense to the extent TAAHP engages in lobbying. The non-deductible portion of investments for 2010 is 10%.
